Gold Savers Accounts are only available to existing Members with active accounts.

They are single payment deposit accounts which cannot be added to during the year.

They will be offered and renewed at the discretion of the Board of Directors.

Minimum deposit £2,500 maximum £20,000

Interest will be paid at a rate advertised by the credit union and will be a minimum of 0.5% above the dividend rate paid on the Regular Share Account.

Interest is calculated on the lowest balance in each month and is paid gross annually on the first working day following the 31st March. Withdrawals are not allowed.

Accounts can be closed by giving 30 days' notice and the balance can be withdrawn or transferred into the Regular Savings Account.

If the Special Savers Account is closed, and membership is retained, the accrued interest for the period deposited will be paid on the first working day following the 31st March into the Regular Savings Account. If no Regular Savings Account is held (i.e. no longer a member) then no interest will be payable.

Life cover is provided on savings held with Enterprise Credit Union Limited which will double the value of savings across all accounts, up to a maximum of £15,000 and age limit of 80. Terms and conditions apply.

This deposit is protected by the Financial Services Compensation Scheme. An information sheet and exclusion list can be obtained from any branch.

Balances in these accounts cannot be used for obtaining loans and will not be paid a dividend.

I agree to the terms and condition of the Gold Savers Account as described above.
